

Councillors get coffee treat

The Mareeba Shire councillors were treated to a special morning tea at their monthly meeting, when Linda Jaques, of Jaques Brothers Coffee, Mareeba, provided them with a free sample of their new coffee essence.

Shire Clerk, Col McDowall (left) tried a cup of the coffee, while Shire Chairman Cedric Davies, indulged himself with a piece of Coffee Walnut Gateau made using the coffee concentrate.

Linda pictured above with the two tasters, said the coffee was proving popular locally and as it was a pure coffee essence, it could be used in a variety of things such as liqueurs, cakes, milk shakes as well as providing a super cup of instant brewed coffee.
